

OZIEL GRAND CHAPTER

Charity Foundation

HELPING EACH OTHER

REQUEST AN APPLICATION

The Foundation was created specifically to focus on responding to the increased need for assistance in crisis situations, cause by catastrophic natural disasters, i.e. hurricanes, floods, fires, etc. or other instances of dire need. Scholarships for post-secondary education are available as well as support for programs of cultural and/or civic enrichment. Support is also provided to established and qualified healthcare, resource and research organizations.
